In the past he humbled the land of Zebulun and the land of Naphtali, but in the future he will honor *GALILEE OF THE NATIONS*, by the Way of the Sea, beyond the Jordan.

# WHAT IS CENTER FOR JEWISH & JUDAIC STUDIES? (CJS)

Center for Jewish & Judaic Studies (CJS) and its campus is committed to promote and broadcast a Christ-Centered education with discipleship opportunities from the land of Israel into the nations. The intention is to educate, equip, and mobilize the church to be active in the return (aliyah) and restoration (absorbption) of Israel.

*CJS is an International campus for Christians to learn Biblical Zionism onsite and through multi-media streaming*

# CJS VISION

CJS seeks to align Africa and the nations with the blessing of the Fathers; Abraham, Isaac and Jacob for the purpose of restoring all things to the God of Israel.

# CJS MISSION

Developing learners who are alive and responsive to the purposes and the challenges of God's covenant with the fathers.

# CJS ACADEMIC PROGRAMS

The CJS programs are designed to motivate the student to acquire the discipline of study (learn), so that they can do, so that they can teach.

# CJS OPERATIONAL PLAN

## Faculty, Learners, and Curriculum

**Faculty:** A diverse dedicated faculty of instructors with a fine grasp of the history, culture, customs of Israel and the Jewish people. Faculty recruitment is focused on experience, discipline, education and fidelity to the philosophy of the CJS curriculum. The faculty is committed to shepherd hood and to continuous learning.

**Learners:** Aim for a diverse international body which prioritizes developing church leaders to be able to shepherd God's flock.

**Curriculum:** Develop and grow a budding curriculum which engenders leadership training, development and service to society in the light of God's covenant with the fathers.

CJS will place emphasis on virtual online learning that transforms the land of Israel into a living classroom inviting Israeli's to be a light unto the nations.

# MAIN TEACHING CURRICULUMS

*Israel the best biblical classroom in the world!*

CJS specializes in a teaching style characterized by experiential learning which views learning as composed of three components: to study, to do and to teach (The Ezra Model). This is how learning happens. Facilitators are therefore encouraged to model what they learn, so that they can teach. Learning and teaching are practical.

- Why Israel? What is Zionism?
- Israel's modern day history.
- Learning about the roots of Christianity and celebrating the appointed feasts of the Lord.
- Studying Torah (Jews and Christians together) and following the annual reading cycle and participating in the fulfillment of the prophetic scriptures: Aliyah!
- Equipped to bring unconditional love to Jewish and Christian communities, while combating antisemitism.
- Character building - living your life as a reflection of Yeshua in your community and nation.
- Volunteer and serve with the Aliyah Return Center and other worthy ministries throughout Israel.
- Worship, prayer & intercession for Israel.
- Intimacy with God - hearing and obeying God's voice in a changing world.

**CJS WILL TEACH** → *Christians from the Nations to be...*

**RUTH-FULL**

***But Ruth replied, “Don’t urge me to leave you or to turn back from you. Where you go I will go, and where you stay I will stay. Your people will be my people and your God my God. 17 Where you die I will die, and there I will be buried. May the Lord deal with me, be it ever so severely, if even death separates you and me.” Ruth 1:16,17***

Faithful with unconditional love as she freely served Naomi while helping her return home (aliyah); Ruth’s commitment gained her the Abrahamic family blessing.
